# seaperch

TEACH • BUILD • BECOME

SeaPerch involves the planning and building of an underwater remotely operated vehicle. Students have to drive their tethered ROVs through an obstacle course for time. Students also have to complete different finesse challenges that involve moving objects with their ROV. Students can compete at the state and national levels depending on their times and scores.

# JFK CARES CLUB

It is our honor to help  
the men and women of  
Enfield who serve  
our country, veterans,  
and their families.  
Our heartfelt thank  
you for your  
sacrifices!
